HOTEL MANAGEMENT | M.Ed | B.Ed | D.Ed

## VISION

An endeavor to place technocrats on the global map as global citizens. To impart futuristic Technical and Professional education of global standards and instill high pattern of discipline and sincerity. To make students aware in the field of Technical expertise, Managerial Skills, Educational Field as well as Legal affairs. We want to provide quality education, we not only want to produce employees but entrepreneurs and employers. We provide research oriented education and facilities so as to produce eminent scientist in the field of Research and Development so as to contribute the Nation building.

## MISSION

To impart quality education to students from all parts of the country and abroad. To enlighten individuals with qualitative and technical parameters and enriched mind skills, ethics and practical knowledge.

To nurture talent in vibrant minds and turn them into dynamic & result oriented professionals of global stature by imparting education using state-of-the art techniques and equipping them to know-how, skill and aptitude are vital to attain excellence. The Institute is totally committed to open up plethora of opportunities for would-be professionals in career development.

# Messages

Education in GGI means nurturing of humanity where young minds blossom to become flowers to spread their fragrance in the society. The imparting of education to the needy and poor was the dream of Late Sh. Khusi Ram, the founder member of the Society.

After the formation of K.R. Education Society around 21 years ago, today it has emerged with a galaxy of eleven institutes under a banner of Geeta Group of Institutions.

The GGI is emerging as a recognized group, consisting of high level institutes and spreading its wings around the country for imparting quality education to the young skilled minds and to inculcate in them the moral and ethic values. The broad motive behind our venture is to produce qualitative human resource bank in the field of engineering, science, management, education, law & other allied fields.

**GEETA BANSAL**  
General Secretary  
K.R. Education Society

A dynamic, vibrant and fast developing economy emphasizes the need for competent managerial and technical professionals. These professionals need to be equipped and capable enough so as to meet the requirements of a challenging and volatile business environment.

We believe that a mix of competent, enlightened and dedicated faculty, a meticulously designed curriculum and an optimum infrastructure is going to ensure geeta group of institutions a respectable place into a handful of excellent institutions around india and the world. GGI also pursues the highest of moral, ethical and cultural values.

I extend my best wishes to all the constituent units of GGI, who have made tremendous progress in the short span of time for the development of education in the country.

**S.P. BANSAL**  
Chairman  
Geeta Group of Institutions

We have a strong belief that technical knowledge and managerial skills are the need of 21st century for enabling the younger generation to raise their full potential for the development of our nation. We realize that education is indispensable for the harmonious growth of the individuals. As a premier teaching institute, we endeavour to explore the inherent potential of the youngsters through meeting the growing needs of technical & professional education.

At GEETA, we strive to provide sound knowledge & skills with a belief that it would eventually help India to become more self reliant and globally competitive. Arrangements have been made to create best possible placements, interview planning and employability guidance system, which would eventually help our students to become successful professionals and responsible citizens.

**NISHANT BANSAL**

Vice Chairman  
Geeta Group of Institutions

As we grow, we will introduce newer technologies and methodologies, for career guidance and have put more resources. Performance of students of our institution is always in the limelight because of the encouraging results of the students in the university exams. Our institutions have acquired enviable reputation for maintaining highest order of discipline.

GGI is vitalizing itself, to face the challenging technology with eminent team of faculty. We help to produce high quality engineers, technocrats and researches to meet the demands of the future and excel in their profession through innovative ideas, knowledge and team work.

We would like to invite the prospective scholars and their parents to visit the campus and witness the range of facilities available in the field of Engineering, Management, Hotel Management, Law & Education for achieving par excellence in the relevant area of studies.

**ANKUSH BANSAL**

Vice Chairman  
Geeta Group of Institutions

# Messages

GGI is proving explorable scope of opportunities where you can shape your career. We provide quality education with distinctive combination of academic Excellence and professional relevance. Our unique personality enrichment aspects create an exciting environment for studies. The college campus is well laid out, in pollution free environment, with aesthetically planned landscapes, providing environment more conducive for professional studies. We have a team of well-qualified, experienced and dedicated faculty, sophisticated and modern library facilities and latest computer network system to facilitate the teaching with modern techniques. The pedagogy used is interactive with cutting-edge techniques and innovation. Our aim is to develop sound, dedicated and disciplined professionals, who are effective and have high value configurations. We would like to invite aspiring candidates to be a part of GGI family.

**K.K. GUPTA**

Chairman  
Lakshay Group of Institutions

On behalf of GGI family I extend a very warm welcome to students in joining us for structuring your career. We are a well recognized Institute to provide career-oriented professional education in the sphere of Engineering , Management, Education, Hotel Management & Law . We give immense opportunities to our students to be qualified so that they can quickly judge the problem and provide innovative solutions that they learn all through the program. Our students are supported by application-oriented research that benefits the larger world of technology.

We dedicate ourselves to provide an environment, which is conducive to high quality research and development. A number of experts, specialists, professionals and academicians of high repute, from renowned institutions and corporate world are invited for interaction with students so as to strengthen their knowledge and skills.

**NEERAJ GUPTA**

Vice Chairman  
Lakshay Group of Institutions

# Why join

- Approved by AICTE, BCI, NCTE, DTE & Ministry of HRD, New Delhi
- Affiliated to Kurukshetra University, Kurukshetra (Graded 'A' by NAAC)
- Academic Excellence Award by Govt. of India

- Strength of experienced & devoted full time faculty
- Excellent University Result
- Special Classes for competitive exams
- Industry Oriented Teaching
- Personality Development Programme

- 
- State of the art infrastructure
  - WI-FI Campus
  - IT Enabled Classrooms, Labs & Library
  - Well furnished hostels for boys and girls
  - Outdoor & Indoor Sports
  - Transport facility
  - ATM facility

- 
- Intensive Corporate Interaction
  - Regular industrial Visits
  - Foreign Educational Tours
  - 100% Placement assistance

# Academic Excellence Award

GGI feels proud to have received "Academic Excellence Award" from Hon'ble Cabinet Minister MSME "Sh. Kalraj Misra Ji" , Hon'ble HRD Minister of state "Sh. Upendra Khushwaha Ji" & Central Minister of State for Social Justice "Sh. Krishan Pal Gujjar ji" under the Aegis of All India Technical & Management Council.

To double our joy, "Sh. S.P. Bansal Ji" (Chairman-GGI) have been awarded for "Most promising contribution in Education & Skill Development", by above group of Ministers in presence of National Skill Development Corporation Chairman "Sh. Dilip Chinoy Ji".

# GEETA ENGINEERING COLLEGE

Approved by AICTE & Affiliated to Kurukshetra University, Kurukshetra

**Dr. P.L. Gupta**  
Director

We have the broad vision of developing the most ordinary of the students into extraordinary management and technology professionals, who will remain relevant in the current as well as the future global landscape. We are always committed to the development of our faculty and staff professionally as well as personally. This is the reason that our people feel proud in their association with the institution. We help our students in setting achievable as well as the challenging goals for themselves. I wish all aspiring students to join Geeta Family for their career making gesture.

**Dr. Rajesh Gargi**  
Principal

Our goal is to articulate the role of engineering education in the early part of the 21st century and to establish design specifications that will enable our Institute to be a leader in shaping the future of engineering education. As such we have an obligation to address the full range of higher education, namely: teaching and learning, research, and service to the community. Indeed these three elements must be seamlessly integrated if we are to be effective in the pursuit of our mission. I extend a very warm welcome to all the students who wish to join GGI.

**Dr. K.L. Miglani**  
Director-Admin

These are the days of Liberalization, Privatization & Globalization with economy thriving like never before. Rainy days are here again for the students who wish to chase their dream of promising career in Engineering and Technology.

At GEC, the students are not only trained academically but are also given an adequate amount of exposure which is varied and comprehensive so as to make them responsible citizens, who go out of our portals to be reckoned among the best. I welcome all the students of GEC and thank their parents to have respond trust in us to take care of wards and their education.

**AWARDED FOR BEST  
PLACEMENT**

## COURSES OFFERED

### M.TECH

2 Years

CSE	:	18 Seats
ME	:	18 Seats
ECE	:	24 Seats
CIVIL	:	24 Seats

**Eligibility :**

B.Tech with 50% marks  
(45% for SC/ST)

### B.TECH

4 Years

CSE	:	60 Seats
ME	:	120 Seats
ECE	:	60 Seats
CIVIL	:	60 Seats

**Eligibility :** 10+2 with  
Physics, Maths &  
Chemistry / Biology /  
Computer Science with  
atleast 45% marks (40%  
for SC/ST)

### B.TECH LATERAL ENTRY

3 Years

CSE	:	12 Seats
ME	:	24 Seats
ECE	:	12 Seats
CIVIL	:	12 Seats

**Eligibility :**

- Diploma/B.Sc with  
atleast 45% marks (40%  
for SC/ST)

### Polytechnic

3 Years

ME	:	120 Seats
CE	:	60 Seats

**Eligibility :**

Passed 10th  
Standard/ SSC  
examination

### Polytechnic LATERAL ENTRY

2 Years

ME	:	24 Seats
CE	:	12 Seats

**Eligibility :**

- Passed 12th Science  
with vocational/ Technical
- Passed ITI with  
appropriate specialization

### MBA

2 Years

Finance  
HR  
Marketing  
IB

60 seats

**Eligibility :** Passed UG  
or PG with atleast 50%  
marks (45% for SC/ST)

### BBA

3 Years - 60 Seats

**Eligibility :** Passed 12th in any stream with  
English as a compulsory subject

*PIO/Foreign National Seats available*

# MECHANICAL ENGINEERING

Mechanical Engineering is one of the core and oldest branches of Engineering. The department boasts of well-equipped labs for giving hands on practical experience to the students. The diversity of areas in which students gain knowledge in this stream brings the large employment potential for them. Special coaching for GATE and PSU is given to the students to explore their potential. Our endeavors have resulted in producing excellent students with top University Ranking and high-quality placements.

## STRENGTHS

- Computer Numeric Controller
- High Precision
- Mechatronics Lab
- Heat Treatment & Metallurgical Process
- ProE & Catia Training
- DRO Tech for precision upto 10 microns
- GATE/PSU Coaching
- AutoCAD P&ID

# ELECTRONICS & COMM. ENGINEERING

The Electronics & Communication Engineering Deptt. provides a platform for the students to get the exposure in the latest technology in the field of E & C and other software skills. The electronics and communication engineering is quite versatile as it caters to design, implementation and management of various control devices, system of semi conductors, electronic instrumentation, controls & telecommunications.

## STRENGTHS

- PCB Designs
- Research & Development Lab
- VHDL Lab
- Live Projects
- Alias design for Inverter
- Autodesk Revit MIP
- DSP Lab
- Micro - Processor Lab

# CIVIL ENGINEERING

Civil Engineering is considered to be the most versatile branch among all the engineering branches. It is the branch with a lot of diversity from geotechnical sciences to structural engineering, environmental to hydraulics, transportation to hydrology. Civil Engineering can be considered as a single largest branch among all the engineering branches.

## STRENGTHS

- Survey Camps
- Auto CAD - CIVIL 3D
- Auto CAD P&ID
- CAD Structural Detailing
- Transport Engineering Lab
- Training on ongoing projects
- Transport Engineering Lab
- Soil Mechanics Lab

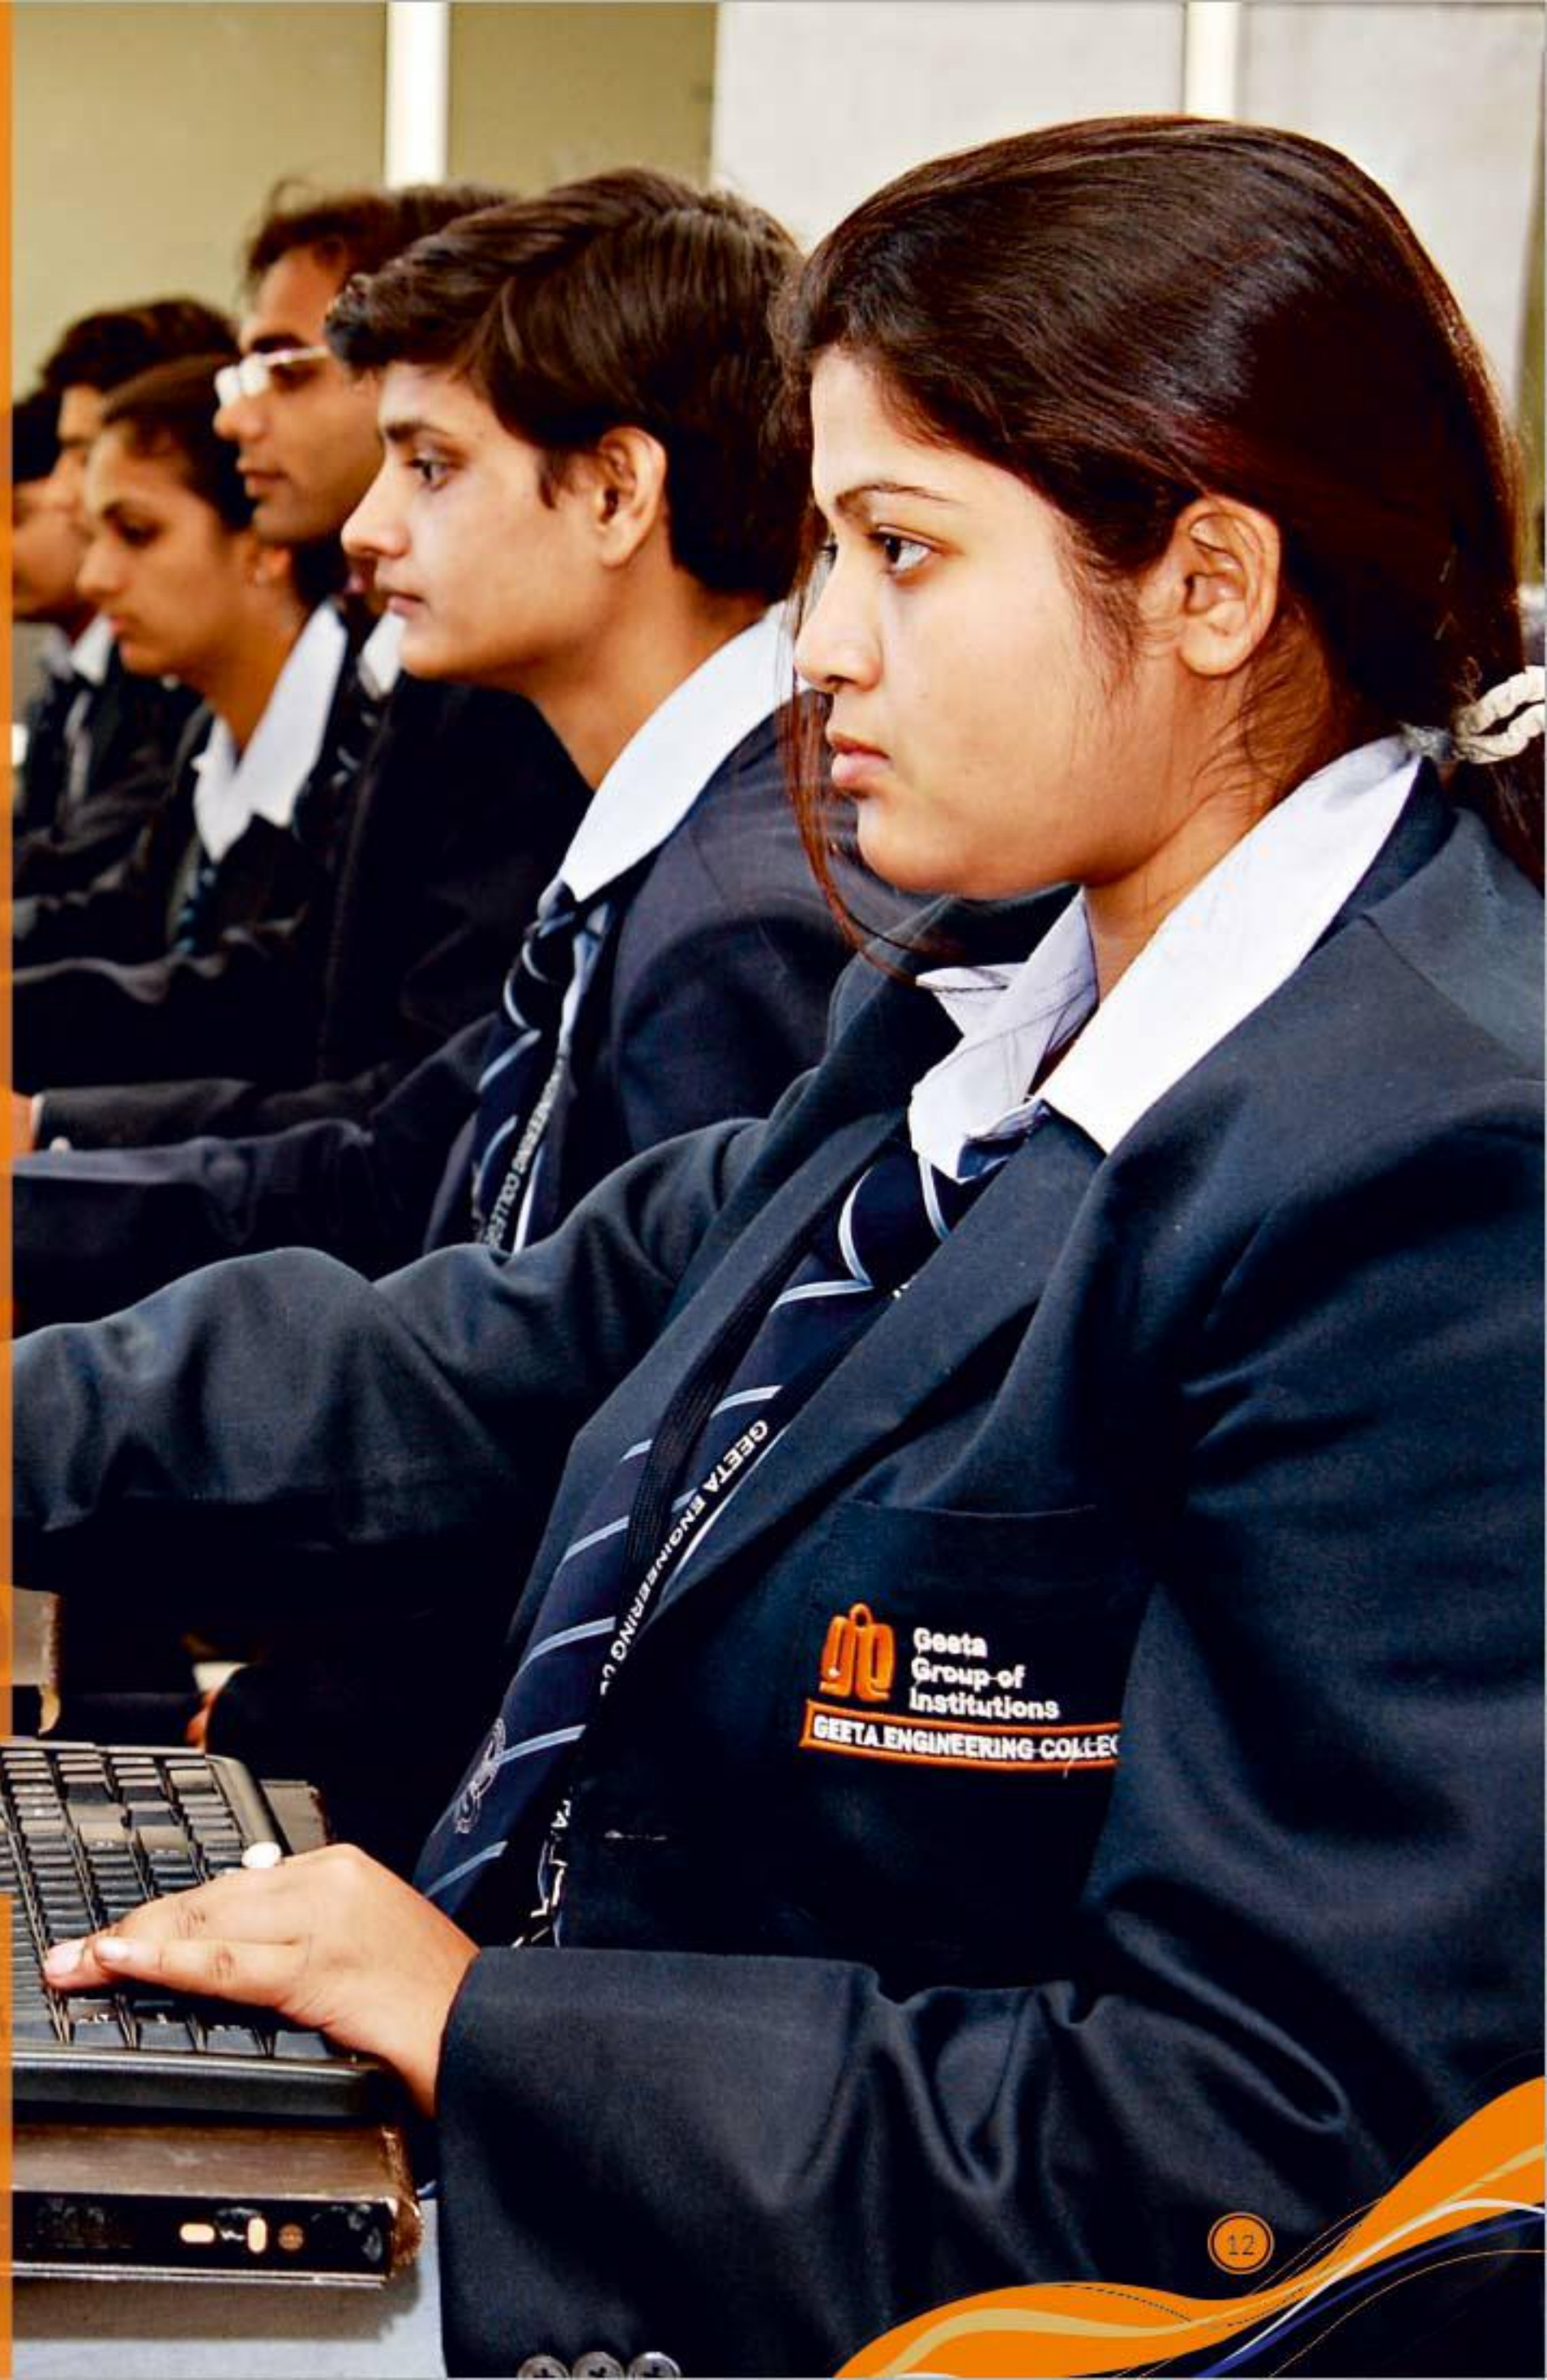

# COMPUTER SCIENCE & ENGINEERING

A Computer technology graduate is concerned with designing and constructing computer on one hand and development of computer programs i.e. software & computer based information and control systems on the other. This is an emerging & expanding area of technology.

## STRENGTHS

- Research & Development Lab
- Live Projects
- 20 MBPS net connectivity
- Project Lab with latest development softwares
- Training on C++, Java, PHP, Oracle, Android etc
- Unix Linux Lab
- Visual Basic Lab

## APPLIED SCIENCE DEPARTMENT

The Department of Applied Sciences and Humanities is continuing from the date of its inception with a mission of imparting teaching and promoting implementation of practical aspects of Applied Sciences and Humanities to build a solid foundation as part of the Engineering Education. Further, our vision is set for opening up research areas in the field of Applied Sciences and Humanities.

### STRENGTHS

- Association with Edu-Right, Pearson London
- Full fledged Chemistry & Physics Lab
- Multi-disciplinary Atmosphere
- Engineering Drawing Lab
- Computer & Programming Lab
- Electrical & Electronics Lab

# DEPARTMENT OF MANAGEMENT

The department was established by the Institute to reflect the needs of present-day dynamic business and economic scenario and to enable its students to face the challenges of corporate world. It takes the onus to prepare a breed of managers who have the courage, skills and resilience to excel in the corporate world.

## STRENGTHS

- Corporate Lounge for industry interaction
- Strategic Simulation games
- Leadership Camps
- Soft skills enhancement Programme
- Entrepreneurship Development Cell
- Full fledged Computer Lab
- Cultural Activity Clubs

# GEETA INSTITUTE OF LAW

Approved by BCI & Affiliated to Kurukshetra University, Kurukshetra

## About GIL

Geeta Institute of Law has the unique distinction as one of the prestigious Law Institute in the state of Haryana offering 5-year integrated B.A. LL.B (H) program and LL.B 3 years. The Institute is very well located on NH-1 G.T. Road, Panipat just 50 minutes run from Delhi, the capital of India. The Institute was granted affiliation by the Kurukshetra University Kurukshetra in 2007 and the affiliation has been approved by the Bar Council of India. The methods of teaching in the GIL include lecture discussions, case law analysis, moot court training, project assignment and placement programs. The Institute organizes seminars on contemporary legal issues, conducts clinical courses and trains students in legal research and legal writing. By the time a student completes the Program he/she will be fully equipped with the required theoretical knowledge and practical experience in the field of law to become a full fledged responsible member of the legal profession.

## Message

Walk from laissez faire to the modern welfare state, from rural to urban have brought revolutionary changes in our lives. Scientific and technological developments resulting in industrial revolution creating big industries and big business houses have given rise to much more interaction on national and international level. Everyday new laws are passed to meet the present challenge. Hence there is the need of most effective law personnels in all the fields i.e. business, daily life, law-drafting, law-making or law-implementing. Geeta Institute of Law stands here with the firm determination to fulfil this need of the society. Although the age of this Institute is very small just like a child, yet its achievements are very great. Its location, infrastructure, dedicated management, committed faculty, latest teaching methods & techniques all jointly take the credit of producing a number of law experts, judicial officers & members of the judiciary and bar. We assure you to fulfil your dreams.

Dr. Rashmi Nagpal  
Dean

**AWARDED FOR ACADEMIC  
EXCELLENCE**

## COURSES OFFERED

**LL.M<sup>\*</sup>**

2 Year

**Eligibility**

Three year bachelor's of law (LL.B) with not less than 45% aggregate marks (for SC/ST 40%).

**LL.B**

3 Years

**Eligibility**

Graduation (Pass) in any stream with minimum 45% marks in aggregate (for SC/ST 40%).

**B.A. LL.B**

5 Years

**Eligibility**

10+2 pass with minimum 45% marks in aggregate (for SC/ST 40%) with English as one of the subject.

**B.B.A.LL.B<sup>\*</sup>**

5 Years

**Eligibility**

10+2 pass with minimum 45% marks in aggregate (for SC/ST 40%) with English as one of the subject.

# Admission Procedure

## B.A.LL.B, B.B.A.LL.B\*

Students for admission will be selected on the basis of their aggregate marks in qualifying exam and their merit in G-LAT (Geeta Law Admission Test) conducted by Geeta Institute of Law and thereafter personal interview. For more details about G-LAT visit : [www.geetalawcollege.in](http://www.geetalawcollege.in).

## LL.M\*, LL.B

For admission, direct interview will be held and students will be selected on the basis of their marks in qualifying examination and performance in personal interview. No entrance test required.

Application forms are available at college website :- [www.geetalawcollege.in](http://www.geetalawcollege.in).

For LL.B, we also consider the students appeared for LSAT-India Admission Test.

## SCHOLARSHIP

### Geeta G-LAT Merit Scholarship

The top two G-LAT (Geeta Law Admission Test) scorer enroll in the B.A.LL.B, B.B.A.LL.B\* 5 year program will be awarded a scholarship of Rs. 30,000/-. This will be based on their performance in the G-LAT( Geeta Law Admission Test)

#### Note:

1. Students who are eligible for Geeta Outstanding Scholarship, are required to appear in G-LAT exam. Candidate eligible for both the scholarships will get only one scholarship (whichever is higher).
2. This is only one time Scholarship.

### Geeta Outstanding Merit Scholarship

% of Marks	Scholarship (Tuition fee Exempted)
85% to 90%	Rs. 22,500/- (50% Tuition Fee)
90.1%-95%	Rs. 45,000/- (100% Tuition Fee)

- 3rd National Voters Day Celebrated
- One Day Art of Living Seminar organized

# LAKSHAY COLLEGE OF HOTEL MANAGEMENT

Approved by AICTE & Affiliated to Kurukshetra University, Kurukshetra

## About LCHM

Lakshay College of Hotel Management is providing the right environment and inputs to the aspiring hoteliers who would be able to measure up to the exacting and ever rising standards of the hospitality industry in the country and abroad. The Institute seeks to impart the best knowledge and skills into the students and to cater to the workforce requirement of the hospitality industry. Empathy, industriousness and professional skills are some of the most essential qualities that a budding hotelier needs to imbibe. It is always the earnest endeavor of the faculty of the institute to initiate and facilitate the learning process. This eco-friendly Institute has a beautiful campus with state of art building, having well equipped laboratories, furniture and other infrastructure facilities apart from experienced, devoted, research oriented and committed faculty to train the students to take up responsible positions in the Hotel and other tourism related industries where abundant avenues are available to them.

## Message

While extending a warm welcome to you, I am much delighted to assure that your course of study in this Institute for the 4-year Degree in BHM&CT awarded by the Kurukshetra University, Kurukshetra, will be quite interesting besides being

successful. The hotel industry offers tremendous growth potential for the service-oriented people. There is a large global demand for 4-year BHM&CT degree-holders. The tourism industry too has always had an appeal and is growing all over the world. Job opportunities offered by the industry is very high with a lot of placements on offer in world class hotels, resorts, cruise liners and other tourism related avenues. If the student possesses a service bent of mind with a positive and pleasant personality, we undertake to groom him/her in the right path with a marked difference in the quality to take up responsible position in the hospitality industry after their graduation.

I am happy to welcome you to this Institute.

S.K. Mishra  
Director

**BEST IN  
INTERNATIONAL EXPOSURE**

## **BHMCT**

**(Bachelor's in Hotel Management & Catering Technology)**  
**4 Years**

The Institute offers a four year degree program "Bachelor's in Hotel Management & Catering Technology (BHM & CT)" approved by All India Council for Technical Education, Ministry of HRD, Government of India and affiliated to Kurukshetra University, Kurukshetra, Accredited 'A' Grade University by "NAAC".

### **ELIGIBILITY**

The Institute takes admission as per the guidelines of directorate Technical Board of Education, Haryana & Kurukshetra University. The Institute welcomes both boys and girls who have passed 10+2 with English from any stream (Arts, Science, Commerce) with minimum 45% marks for General Category or 40% marks for SC/ST.

## *Practical Labs*

### **BASIC TRAINING KITCHEN**

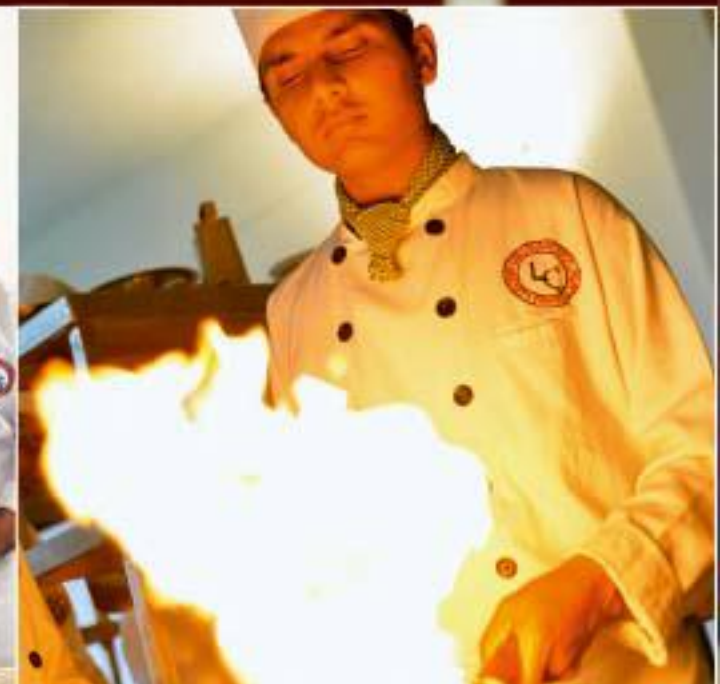

The fresher are Given an in depth theoretical and practical knowledge. In the BTK the first year students learn the basic culinary art and gear up for further challenges, which they have to face in this field. Continental cuisines are practiced by the students and thus they get to learn international cooking traits and art.

### **ADVANCED TRAINING KITCHEN**

The ATK is where the budding professionals are fine polished to prove their mettle in the industry. Here students are given training in planning and preparation of Indian, Oriental and Western cuisines.

### **QUANTITY TRAINING KITCHEN**

The QTK prepares and moulds the students to face the challenges of cooking for large groups and catering the wide variety of people representing different culinary zones of India. In the QTK the students are put to an arduous journey on the Indian spice trail so that justice is done to the various preparation methods of a variety of delicacies.

## *Practical Labs*

### **BAKERY AND CONFECTIONERY**

The Bakery & Confectionery department trains the student in the art of making various types of breads, confectioneries like pudding, cakes, ice creams etc. to make them adept in this field.

### **RESTAURANT & MOCK BAR**

The Air-conditioned - Training Restaurant helps to enhance style serving techniques. It operates 24 covers and also has a Training Bar to facilitate practical experience to the students. It is well equipped with silverware, glassware, tableware, gueridon trolley and other sophisticated equipment required for quality service.

### **FRONT OFFICE LAB**

The Front Office department in a Hotel is responsible for the sale of hotel rooms. Students specialize in customer handling, communication skills, Hospitality service and guest satisfaction. These skills are being taught in Front Office Department.

### **HOUSEKEEPING LAB**

The House Keeping Laboratory consists of a guest room with well- designed interiors. The Mock - House Keeping Laboratory and the Laundry equipped with washing machines, dryer, and a wash area enable students to get the right feel of the department.

## Teaching Methodology

Starting from the first year, the college organizes a series of lectures, training sessions and specialized programmes to make the students familiar with the skills needed to get good placement

- Highly qualified, experienced and research oriented teachers
- Ample opportunities for constant interaction in class
- Easy access to teachers for consultation and guidance
- Video lectures and all modern teaching aids
- Lectures made available through internet and CDs
- Well equipped kitchens, laboratories and dining halls
- Computer centre with internet facilities
- Invited talks by experts from industry and field
- Emphasis on practical training and skill acquisition
- Regular training in 5-star International hotels
- Language laboratory for studying English and foreign languages
- Special training on soft skills development
- Progress reports to parents in every semester

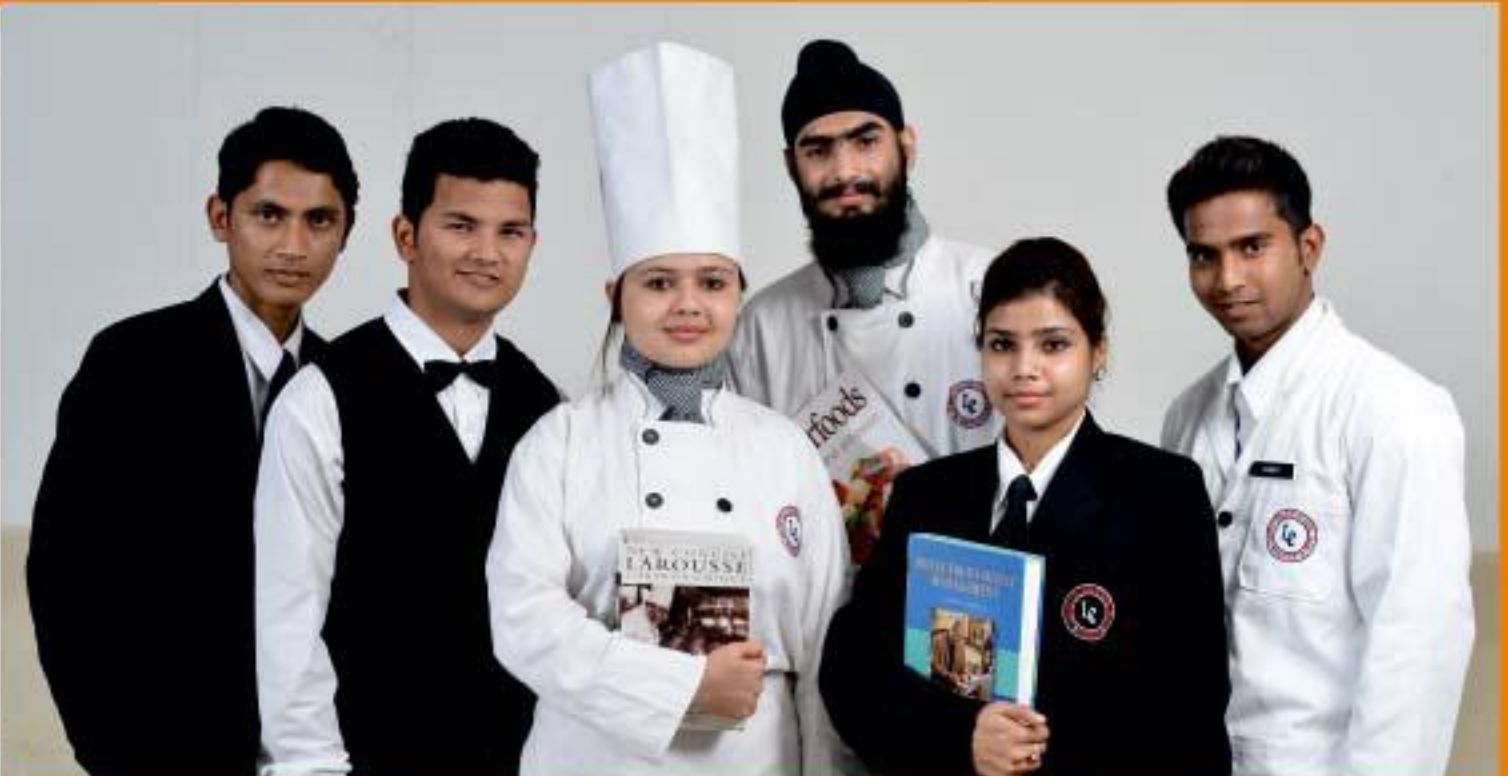

## Training & Placements

## DINNING SERVICES

There is college canteen in campus which provides refreshment at moderate prices.

## LANGUAGE LAB

The college has a well equipped language laboratory with electronics monitors. The college provided and assists in improving English language skills of students through this.

## OTHER LABS

The college has provided various labs for the successful completion of the above said courses. This includes science lab, Psychology Lab, Computer Lab and another one for making students more creative in various activities.

## ALUMNI ASSOCIATION

The college has established the alumni to activity assist various development programmes of the college.

## STUDENT COUNSELING

The college offers counseling services to students with adjustment problems and other personal, social and academic difficulties.

## MEDICAL SERVICES

To meet any emergency, the college provides first aid medical services to the students in campus.

**Curricular Activities** . The college organizes various cultural programmes on various occasions. National festivals are celebrated along with all other major festivals.

## GAMES AND SPORTS

The college is maintaining volley ball court, table tennis and big ground for other sports. Games are available as per requirement and demand of the students and the courses they pursuing. Apart from this an Annual Sports Meet is been held to bring out the best and to improve the coordination among the students.

## EXCURSIONS

The college organizes an excursion programmes every year as per requirement and needs for the curriculum of the course. Students explore a different world altogether in the programme which widens their ability to adjust in different types of cultural backgrounds.

# INFRASTRUCTURE & FACILITIES

GGI is having the world class infrastructure in all the campuses to its credit. All the campuses are wholly self-contained comprising all the facilities that the students would ever require.

Come, see and believe it.

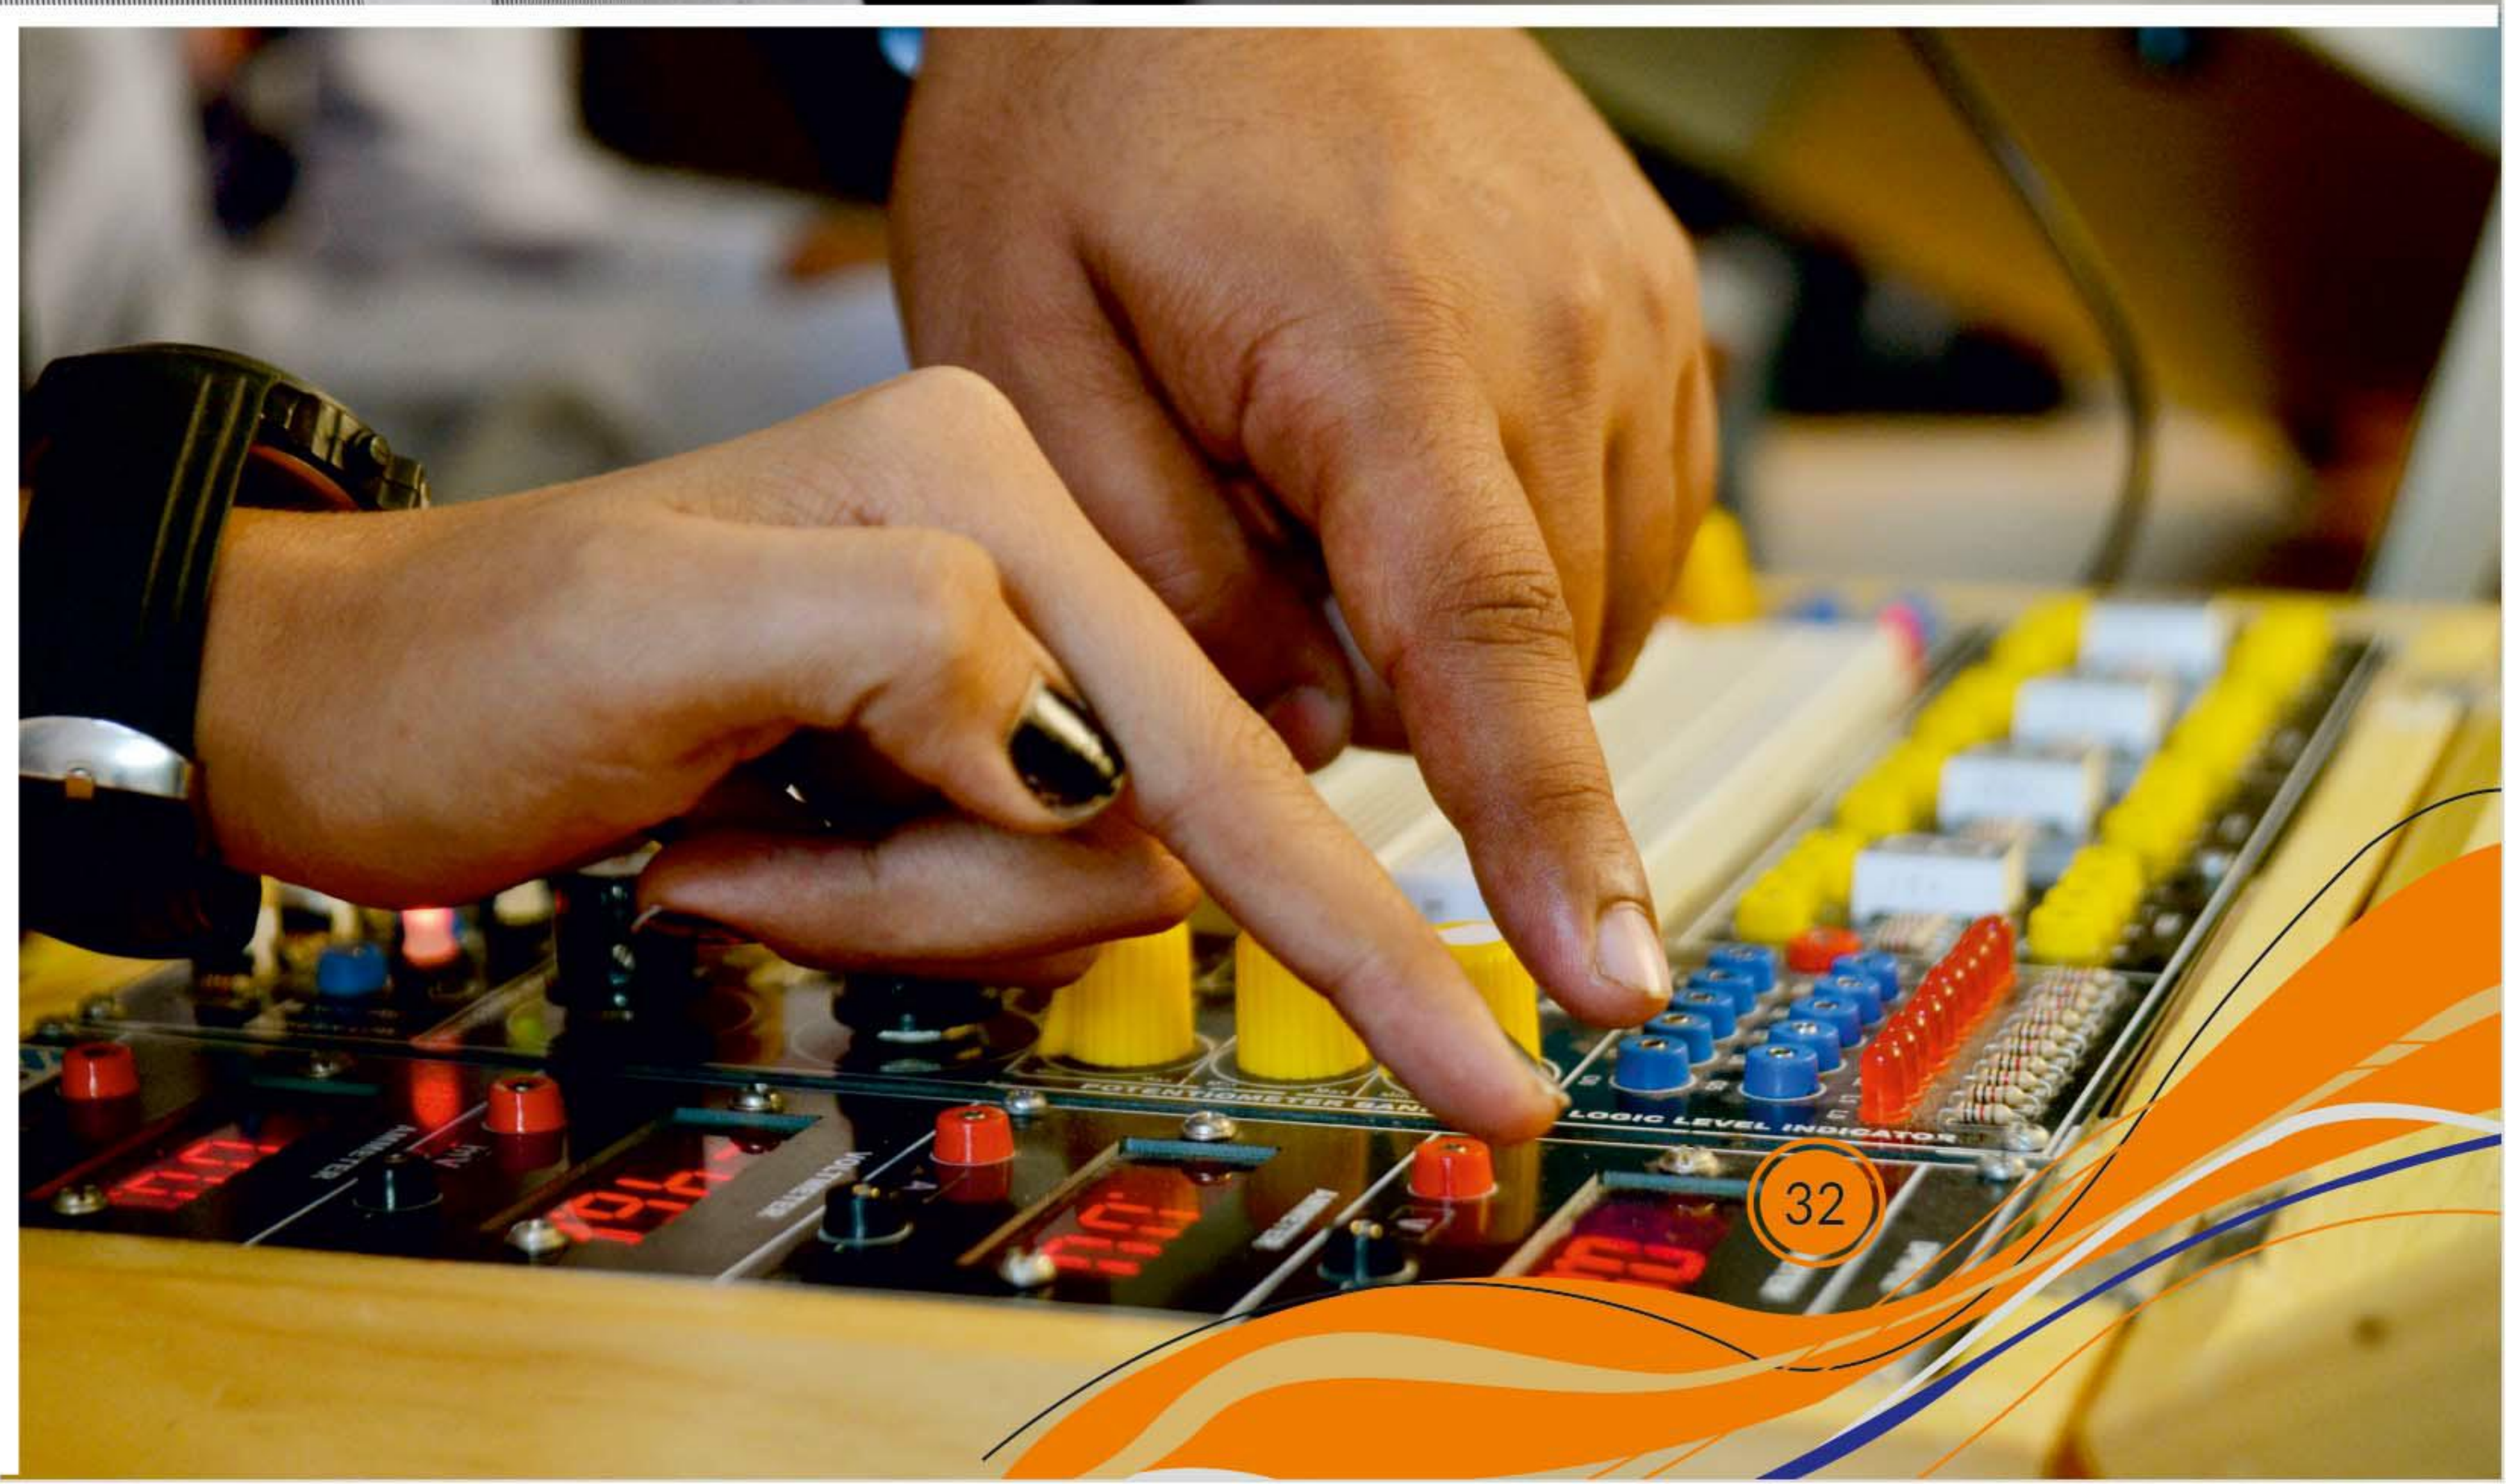

## CLASSROOMS & LABS

Well designed, fully equipped, modern and spacious class rooms mark GGI a contemporary culture. There are air - conditioned classrooms equipped with latest facilities like LCD Projectors, OHP etc. Separate class rooms are available with multi-media facilities for presentations. For conducting Hi tech sessions and presentations all colleges of GGI possess Audio Visual set up with DLP projectors and other modern equipments for high tech learning.

# LIBRARY

In the context of a higher education Institutions, a library is considered to be a vital sub-unit as a learning resource. In today's high-tech learning environment, the library as a learning resource is taking up increasingly more academic space and time in the life of a learner. There is a well stocked library with number of books, national & international journals. The college has an integrated plan of inter linking of the library with other libraries in India and abroad. Well equipped digital library keep the students to remain in touch with latest books and ejournals. We are upcoming soon with the introduction of a GGI Journal for FDPs and SDPs to enhance the knowledge and skills of both faculties and students.

## Computer Facility

All Institutes of GGI have state-of-the-art computer facilities for browsing information and sharing of knowledge and information. Thus, enabling the students to access the high speed internet facility. The computer centers are equipped with modern PCs having latest configuration, a variety of peripherals such as high speed network, laser and inkjet printing facility and DVD writers. Besides, it has sophisticated web-based integrated system facilitating continuous interaction between the faculty and students, in formulating academic assignments.

## Auditorium/ Conference Room

are available to keep the students abreast with the corporate culture and latest technological developments. Discussions, public meetings & personality development activities are conducted in conference rooms.

## Cafeteria

In an attempt to provide the students more in campus facilities, modern canteens have been provided in all GGI campuses. Well structured cafeterias have become quite popular amongst the students who assemble there in a congenial environment during the lunch break and off times. Quality food stuffs are available at subsidized rates. Balanced, wellplanned hygienically prepared lunch and dishes are served to the day-scholars, hostellers, faculty members & visitors.

## Sports

GGI has developed huge and well maintained play grounds in all campuses for the all-round development of students. Various outdoor games like Cricket, Football, Volleyball, Badminton & Indoor games like Table Tennis, Chess, Carom, Billiards etc. are organized under the supervision of Sports instructors. The institutes keep on organizing sports activities and inter-college meets from time-to-time.

# GEETA ENGINEERING

# Gymnasium

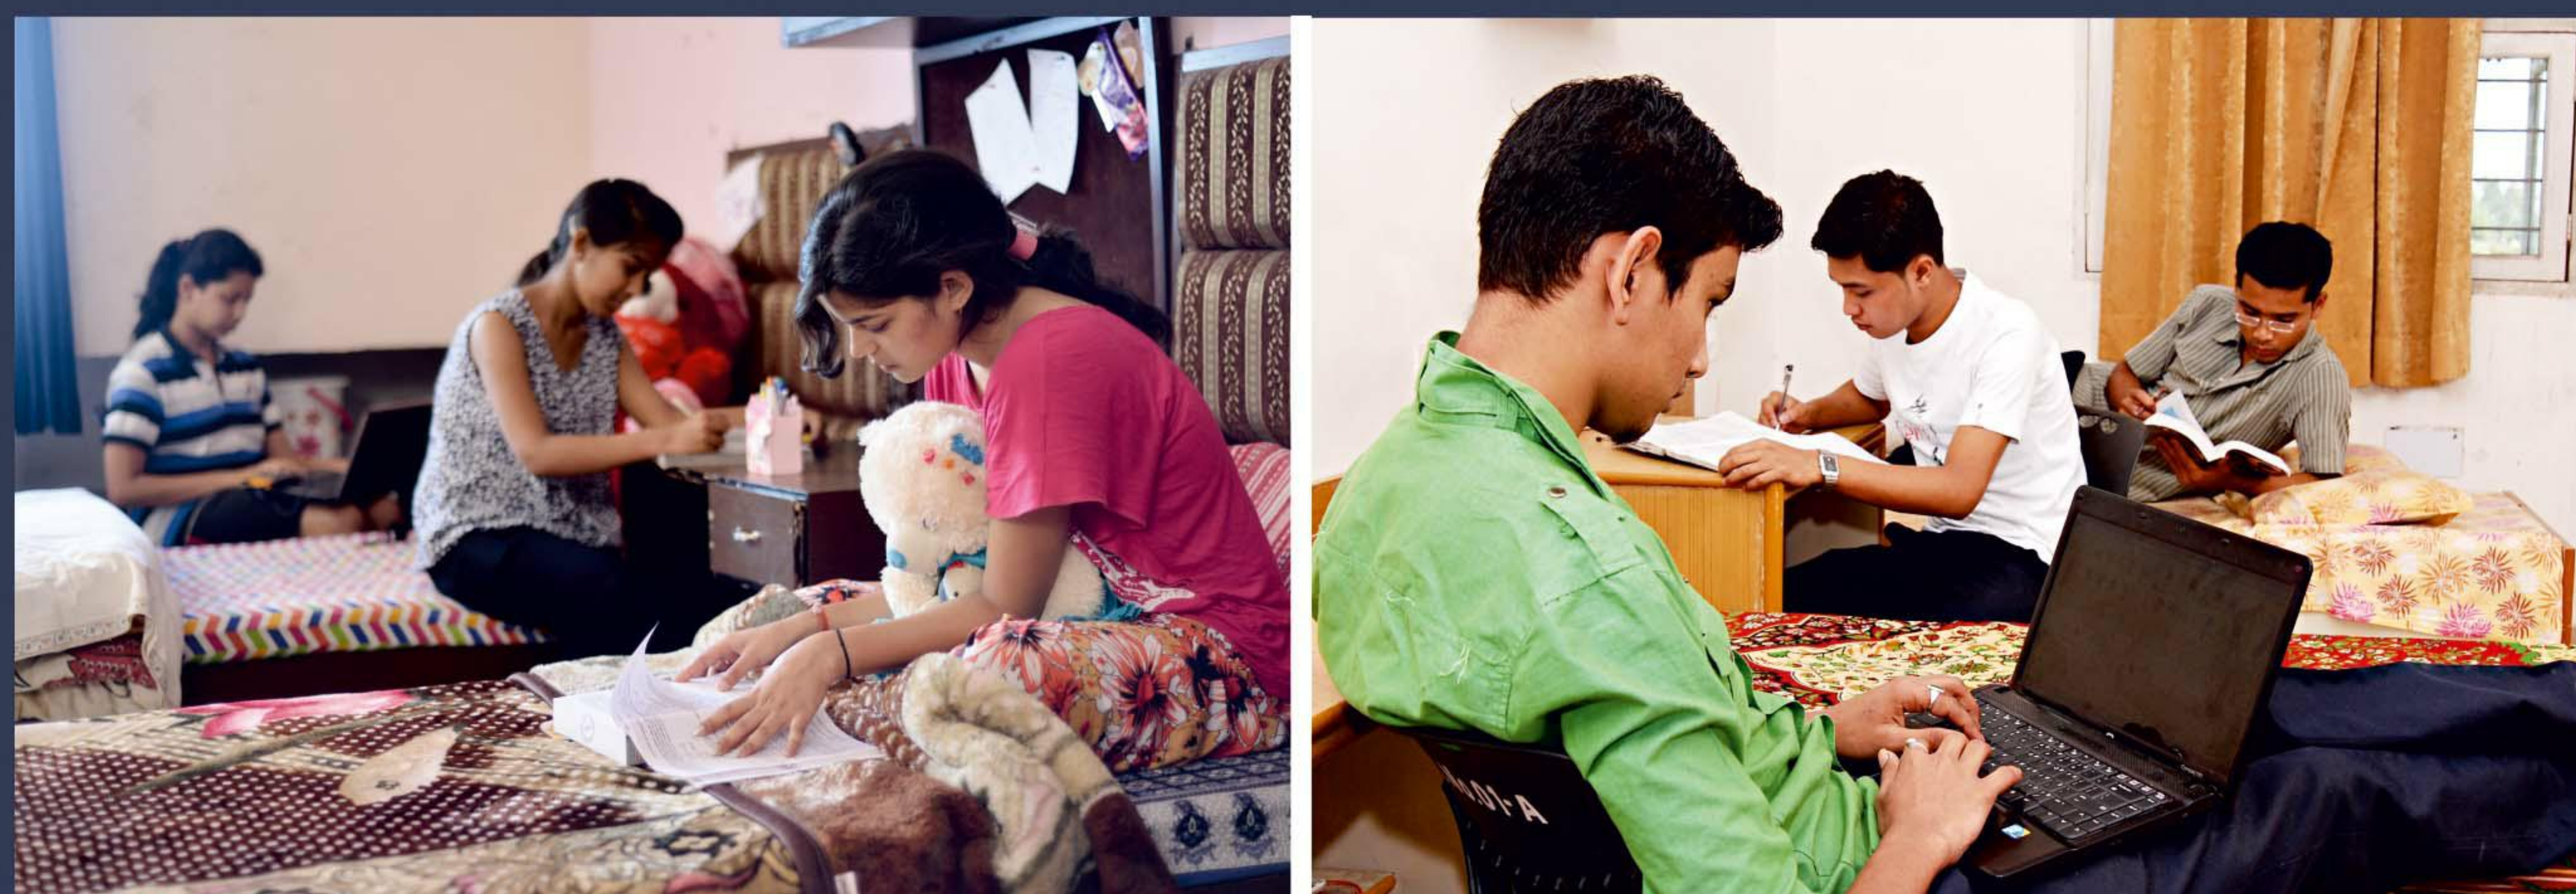

GGI is having the modern and state of the art gymnasium which is fully equipped with the latest equipments within the campus. Instructors and trainers are also available to train the students.

# Hostel

GGI offers comprehensive hostel facilities within the institute campus. We recognized that most of our students are away from home for the first time and need a home away from home. We therefore strive hard to make the transition as smooth as possible by offering comfortable and safe hostel within the campus. Institute offers separate hostel for boys and girls with hostel warden in each hostel to supervise day to day management. All the rooms have been designed to provide adequate moving space and ample air and Light. Each hostel operates its own mess providing hygienic and nutritious meals, thrice a day

# Training & Placement

We at GGI, prepare our students in response to the growing complexities of the business environment. We offer a productive interface between academia and industry . Our institutes provide the students a strong conceptual foundation, exposure to real life working conditions and enhanced capacity to work.

GGI is having a full fledged training and placement cell which invite the top MNC's to the campus every year. Also the training and placement cell look after the industrial training of the students. Till date more than 150 top industries have recruited students from GGI and the highest package of which has gone upto INR 15 Lakhs per annum.

# How to reach us

Panipat is situated on G.T. road/NH-1 and comes under Delhi NCR region. It is well connected to all the places of the country via rail and road.

## About the city – Panipat

Panipat is a historic city and three battles fought at the city were turning points in Indian history. In last two decades, Panipat has emerged as textile hub on world map and generates an annual revenue over 750 million dollars. Being a neighbor of national capital, Panipat is a cosmopolitan city and Shopping Malls, Multiplexes with popular chains like Pizza Hut, Dominoz, Mc Donalds , KFC etc adds colors to the lifestyle of the city.

We will either  
find a way  
or make one!"
